

any² S2

adverb [usually in questions and negatives]

- 1** NOT used before the comparative form of an adjective to mean ‘even a small amount’:

I can't run any faster.

Are you feeling any better?

- 2 not any more/longer** NOW

if something does not happen any more or any longer, it used to happen but does not happen now:

Sarah doesn't live here any more.

He was told he wasn't wanted any longer.

- 3** ESPECIALLY (**AmE**) (spoken) used with a verb to mean ‘at all’:

We tried talking to him but that didn't help any.
